DATE MAILED:

**Please find below and/or attached an Office communication concerning this application or proceeding.**

## Commissioner for Patents

This communication is being sent to indicate that the Office action mailed to Applicant on 7/9/2010 is non-final. Some confusion arose from the fact that both the final and non-final boxes were checked on the PTO Form 326 - Office Action Summary. However, the action itself does not include any language which makes the case final and therefore the action was intended to be Non-Final.
